OKLAHOMA STUDENT LOAN AUTHORITY (the “*Authority*”)

525 Central Park Drive, Suite 600

Oklahoma City, OK 73105-1706

www.secure.OSLAfinancial.com

This notice pertains to the Authority’s financial reporting website,
<http://www.OSLAfinancial.com>.

To comply with recent security requirements implemented by the Federal Government, the Authority’s financial reporting website has now changed to
<https://secure.OSLAfinancial.com>.

The Department of Homeland Security (DHS) Binding Operational Directive 18-01 and the Federal Information Security Management Act (FISMA) requires that we communicate through our firewall for our websites using secure protocols that utilize approved encryption algorithms. In response to this, OSLA enabled Hypertext Transfer Protocol Secure (HTTPS) with HTTP Strict Transport Security (HSTS) on www.OSLAfinancial.com and will no longer use the unencrypted protocol HTTP.

In recent years, there has been a concerted effort by both the public and private sectors to no longer use HTTP due to the inherent weaknesses that are associated with clear text protocols on externally facing systems. This change improves the overall security posture and ensures secure communication with our business partners who access the website.
