Dear Mr. Rogers

This letter is to inform you that the Oklahoma Student Loan Authority (Servicer ID Number 700155) has received the Exceptional Performance designation by the U.S. Department of Education (ED). This designation makes you eligible to receive 100% reimbursement on all claims submitted for insurance during the 12-month effective period. The Oklahoma Student Loan Authority's designation will go into effect on January 1, 2006, therefore, any claim submitted on or after that date and until otherwise notified by the Department, will be reimbursed at the 100% rate.

To maintain this designation, the Oklahoma Student Loan Authority is required to submit quarterly compliance audits of the due diligence in collection activities and for converting FFEL Program loans to repayment, and timely filing requirements to the Department and to each guarantor with whom the Oklahoma Student Loan Authority does business. A review of these independent audits will be conducted and if the designation should be revoked, your organization will receive notice of that action. Please note that you are required to submit all claims utilizing your Servicer ID Number(s) to ensure accuracy in the payment of your claims from the guaranty agencies.

Additionally, it is important to note that as an organization designated as an Exceptional Performer, if you fail to service loans or otherwise comply with applicable program regulations, it is a violation of the Federal False Claims Act (31 USC 3729).

If you have any questions or concerns, please contact Financial Partners Services State Agency Liaison, Mike Sutphin, at (202)-377-3624.

Sincerely,
